

DIAMOND FINISH

ADVANCED CLEANER, POLISH & SEALANT
TECHNOLOGICALLY ADVANCED FORMULA
PROVIDES DIAMOND HARD ENVIRONMENTAL SHIELD

WARNING

Causes skin irritation. May cause an allergic skin reaction.
Causes serious eye irritation.

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: ONE PINT (16 OZ.)

Please Recycle.

Canister made from 25% post-consumer recycled plastic.

0119.041020

Avoid breathing spray, mist. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear eye protection, protective clothing, protective gloves.

IF ON SKIN: Wash with plenty of water.

IF skin irritation or rash occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice/attention.

*For industrial and commercial use only.
For additional information, see Safety Data Sheet.*

DIAMOND FINISH is the most effective hand applied automotive cleaner, polish and sealant developed to date. This technologically advanced formula combines the best features of a fast acting cleaner, a high gloss polish, and a durable sealant into one easy to use product. The incorporated natural solvent, d-Limonene, provides the extra strength necessary to remove gasoline spills, insect remains and road film including tar. A special polish gently removes surface oxidation to produce a "showroom shine." Despite its strength, **DIAMOND FINISH** is safe for use on chrome, aluminum, fiberglass and clear coat finishes. Surfaces protected with **DIAMOND FINISH** are easier to clean, will resist oxidation and corrosion, and are immune to the damaging effects of acid rain, salt and harsh cleaners.

DIRECTIONS:

Shake well before using. Wash and dry vehicle. Pour **DIAMOND FINISH** onto a clean, damp cloth and apply to a small section at a time using a circular, overlapping motion. Allow **DIAMOND FINISH** to dry to a haze then buff with a clean, soft cloth. Additional coats of **DIAMOND FINISH** will add to the "showroom shine."

NOTE: Do not use on flat black or black textured paints. Always check for colorfastness of decals before using.

Dispose of contents/container to comply with local/regional/national/international regulations.

WARNING: This product can expose you to Titanium Dioxide which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
