www.sharecorp.com**

AQUA PURE is an all natural compound for removing body oils, suntan lotions and oils, and other organic soils from swimming pool water. **AQUA PURE** breaks down oily wastes from pool water, floors, walls, and other pool surfaces.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

WARNING:

This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

DISPOSAL:

Offer empty container for recycling. If recycling is not available, discard container in trash.

DIRECTIONS

Pool Water: Use an initial treatment of 12 ounces per 20,000 gallons of pool water. A maintenance dose of 4 ounces per 20,000 gallons of pool water should be added weekly.

If pool water contains high concentrations of oily wastes, add 32 ounces of **AQUA PURE** per 20,000 gallons of pool water initially, then follow with weekly treatments of 8 ounces per 20,000 gallons.

Surface Odors: To treat odors caused by spoiled food, vomit, urine, feces, greases, oils, mold and mildew stains, or other organic spills, dilute 1 to 1 with water. Spray a heavy mist to wet the surface and allow the surface to remain wet. Repeat as needed.

NFPA* Ratings

Health: 1; Flammability: 0; Reactivity: 0

Contains/CAS Number:

Water/7732-18-5; Polyoxyethylene (20) sorbitan monolaurate/9005-64-5; Tetrasodium ethylenediamine tetraacetate/64-02-8; Proprietary solution/Mixture; Citric acid/77-92-9
