

DYNASTY MICRO B.C. - MORNING BREEZE

Liquid Bacterial Surface Odor Controllant

Form: Liquid

Color: Milky White

Odor: Fresh

pH: 6.50 - 7.50

Solubility (in water): Soluble
(in mineral spirits): No data available

VOC Content (% by weight): <0.5

Flash Point (Closed Cup): >200°F

Specific Gravity: 1.01 g/cm³

Density: 8.34 lbs/gal

Storage Stability (at 70°F): 1 year

Ingredients **C.A.S. #**

Water..... 7732-18-5

Fragrance Mixture

Polyoxyethylene (20) Sorbitan

Monolaurate..... 9005-64-5

Tetrasodium Ethylenediamine

Tetraacetate..... 64-02-8

Viable bacterial culture..... No CAS Number

| <ul style="list-style-type: none"> • Portable Toilets • Grease Traps • Urinal Surfaces • Bathroom Floors • Garbage Disposals • Kitchen/Bathroom Drains • Carpets And Upholstery |

DIRECTIONS FOR USE:

Drain Lines: To maintain free-flowing drain lines, use 3 to 4 ounces of DYNASTY MICRO B.C. – MORNING BREEZE every day in each line. Apply at the end of the day or when the flow is at its lowest. Always treat the lower floors first and work your way to the upper floors of a building.

Surface Odors: To treat odors caused by spoiled food, vomit, urine, feces, mold and mildew or other organic spills, dilute 1 to 1 with water. Spray a heavy mist to wet the surface and allow the surface to remain wet. Repeat as needed.

Carpets and Upholstery: Remove as much soil as possible using a general purpose cleaner if necessary. Dilute DYNASTY MICRO B.C. – MORNING BREEZE 1 to 1 with water and spray to wet the fibers thoroughly. Lay a warm (not hot), damp towel over the area to keep moist for at least 24 hours. Severe stains and odors require a daily treatment for up to 10 days.
