Use in...
• Garbage Containers
• Trash Bins
• Trash Heaps/Dumps
• Truck Beds
• Sludge Drying Beds
• Incinerator Pits
• Food Processing Plants

DIRECTIONS: Sprinkle GRANULAR DEODORANT wherever offensive odors are to be controlled. Deodorizes as it dries excess moisture in garbage cans, disposal trucks, trash heaps and dumps. Sprinkle over garbage, trash or refuse after each addition is made to receptacle, truck or dump.

It is most effective when used immediately after refuse can has been emptied, or after disposal truck has been unloaded. GRANULAR DEODORANT effectively absorbs moisture and deodorizes vomitus, pet mistakes and spillage.
