VANILLA

PULSE ROOM FRESHENER
3000 METERED SPRAYS

Net Weight: 7 ounces (198 grams)

**METERED SPRAY FOR
PULSE AUTO SPRAY SYSTEM DISPENSERS**

For neutralizing odors in: hospitals, nursing homes, clinics, doctors' offices, dentists' offices, schools, restrooms, hotels, motels, washrooms, storage areas, garage areas, factories, offices, locker rooms, gymnasiums and lavatories.

DIRECTIONS FOR USE: Remove protective cap and install the can in a dispenser. Note: When installing in a Pulse Auto Spray System Dispenser, first activate timer by depressing the red button. Position so that the concentrated spray will not hit people, animals, foods, drinks, feeds, food processing surfaces, or solvent-sensitive surfaces (including polished or varnished materials). Keep can at least 8 ft. away from exposed foods. Coverage: up to 6,000 cu. ft. of space.

WARNING: FLAMMABLE. Concentrated spray may irritate eyes, skin and respiratory tract; aim spray to avoid exposure. Use only in area with a constant supply of fresh air. Avoid inhaling spray mist or vapor. See MSDS for additional information.

FIRST AID: Eye Contact: Flush eyes with plenty of water and remove any contact lenses, then hold eyelids open and continue flushing for 15 minutes. **Skin Contact:** Wash affected area with soap and water. If any ill effects continue, or develop later, get prompt medical attention. **Inhalation:** Remove person to fresh air. Administer oxygen if needed. Apply artificial respiration if breathing has stopped. Get medical attention.

CRANBERRY

**PULSE ROOM FRESHENER
3000 METERED SPRAYS**

Net Weight: 6 ounces (170 grams)

**METERED SPRAY FOR
PULSE AUTO SPRAY SYSTEM DISPENSERS**

For neutralizing air in: hospitals, nursing homes, clinics, doctors' offices, dentists' offices, schools, restrooms, hotels, motels, washrooms, storage areas, garage areas, factories, offices, locker rooms, gymnasiums and lavatories.

DIRECTIONS FOR USE: Remove protective cap and install the can in a dispenser. Note: When installing in a Pulse Auto Spray System Dispenser, first activate timer by depressing the red button. Position so that the concentrated spray will not hit people, animals, foods, drinks, feeds, food processing surfaces, or solvent-sensitive surfaces (including polished or varnished materials). Keep can at least 8 ft. away from exposed foods. Coverage: up to 6,000 cu. ft. of space.

WARNING: Concentrated spray may irritate eyes, skin and respiratory tract; aim spray to avoid exposure. Use only in area with a constant supply of fresh air. Avoid inhaling spray mist or vapor.

FIRST AID: Eye Contact: Flush eyes with plenty of water and remove any contact lenses, then hold eyelids open and continue flushing for 15 minutes. **Skin Contact:** Wash affected area with soap and water. If any ill effects continue, or develop later, get prompt medical attention.

WARNING: FLAMMABLE. IRRITATES EYES AND SKIN. CONTENTS UNDER PRESSURE. Before using, read carefully the complete PRECAUTIONS (including FIRST AID) and DIRECTIONS FOR USE sections.

Cautions: Intentional misuse by concentrating and inhaling the product can be harmful or fatal. Avoid contact with eyes or skin. Keep away from heat, sparks and flames. Do not puncture, incinerate or crush. Do not expose to heat or store at temperatures above 120°F (49°C) as container may burst. Avoid exposure to long periods of sunlight. Use with adequate ventilation.

LILAC

PULSE ROOM FRESHENER
3000 METERED SPRAYS

Net Weight: 7 ounces (198 grams)

METERED SPRAY FOR PULSE AUTO SPRAY SYSTEM DISPENSERS

For neutralizing odors in: hospitals, nursing homes, clinics, doctors' offices, dentists' offices, schools, restrooms, hotels, motels, washrooms, storage areas, garage areas, factories, offices, locker rooms, gymnasiums and lavatories.

DIRECTIONS FOR USE: Remove protective cap and install the can in a dispenser. Note: When installing in a Pulse Auto Spray System Dispenser, first activate timer by depressing the red button. Position so that the concentrated spray will not hit people, animals, foods, drinks, feeds, food processing surfaces, or solvent-sensitive surfaces (including polished or varnished materials). Keep can at least 8 ft. away from exposed foods. Coverage: up to 6,000 cu. ft. of space.

WARNING: FLAMMABLE. Concentrated spray may irritate eyes, skin and respiratory tract; aim spray to avoid exposure. Use only in area with a constant supply of fresh air. Avoid inhaling spray mist or vapor. See MSDS for additional information.

FIRST AID: Eye Contact: Flush eyes with plenty of water and remove any contact lenses, then hold eyelids open and continue flushing for 15 minutes. **Skin Contact:** Wash affected area with soap and water. If any ill effects continue, or develop later, get prompt medical attention. **Inhalation:** Remove person to fresh air. Administer oxygen if needed. Apply artificial respiration if breathing has stopped. Get medical attention.
